

Parking Policy

A parking permit must be completed with all vehicle information in order to receive a permit for the current year. One permit per bedroom is allowed and the permit is only for tenants living in the unit. No "guest" permits will be given out.

Having a permit does not guarantee a space. There are more bedrooms than parking spots. Keep this in mind when inviting guests over. **Guests cannot park in the Grove Park parking area after 10:00 P.M. Vehicles parked in Grove Park after 10:00 pm may be towed.**

- If your parking permit is lost and has to be replaced, a new permit will be issued for a cost of \$50.00.
- Your Grove Park Parking Permit must be clearly visible from outside the vehicle.
- Any vehicle parked in the grass area will be towed.
- Vehicles parked in front of the dumpster will be towed. The company that picks up our trash will not pick up if a vehicle is blocking the dumpsters.
- Parking inappropriately in spaces marked for Handicap may result in fines and/or being towed. Repeated violations may result in losing parking privileges.
- Do NOT park in spaces marked as "RESERVED PARKING" or you will be towed and/or lose parking privileges.
- Each permit stays with the unit, please return to your landlord upon move out when you turn in keys.
